

When driving around the Sacramento area, my wife and I very much appreciate having K-LOVE (99.1 FM).

I commute from Roseville to Elk Grove, a 45 minute drive, and K-LOVE brightens my day and encourages me.

It is not only for myself, I know many of my friends and family also listen to K-LOVE and are similarly affected by this God-centered station.

In a time of diminishing family-friendly programming, K-LOVE is clean and provides guidance and encouragement for parents and children.

Please do not give LPFM priority so that K-LOVE would not be able to reach the many around the country.

Thank you for your time and consideration,

Sincerely,
Paul A. Werner
